General Instructions:-

1. 8th March will be a preparatory holiday.
2. Please ensure that your net connectivity is good and all the technical issues are resolved before the exam.
3. Students to login 10 minutes earlier than the scheduled time.
4. Start the exam on time.
5. Students must be logged into the web browser through Gmail id only.
6. Please fill all the required information in the online exam to ensure the submission of the test.
7. Duration for Current Affairs and Computer exam is 50 minutes.
8. Submit your test within the time limit or you will not be able to submit.

9. After you submit wait for the message to ensure that you have submitted the test successfully.

10. Only the first attempt submitted will be accepted.

11. Google form links will be shared in the class Whatsapp group and in the Microsoft Teams channel (chat window).

12. Students are requested not to log out of Teams app till their form is submitted. Students shall wait for confirmation from the invigilator.

13. Do not refresh or close the Google form (Question paper) once the test is started.

14. In case of sibling cases studying in same class / different classes and having a clash of the exam time slots and are unable to take the exam at the same time due to lack of hardware, one of them will be given a different time slot on the same day (5:00- 7:00 PM). In this case, the parents have to give a written application before 1 March 2021 to the class teacher.

15. There will be no classes during the exam schedule i.e. 09 March- 26 March 2021.
